

The Kids' Teller

Volume 1, Issue 1

Summer 2001

Making the Most of Your Allowance

Some kids get allowances. Others get money when they need it for something special. Some earn extra cash by doing chores or errands. Often, allowances aren't passed out unless certain household chores are finished. But no matter how you get your money don't spend it all at one time. By putting some of it into your share account at

the credit union, two good things happen:

One, your money will earn money. You'll put the magic of compound interest to work. And because the earlier you start the more time it will have to grow,

How to Open a Kirby Kangaroo Account

Opening your very own Kirby account is easy and fun. Bring a parent and your social security card to the Credit Union. Ask our receptionist to see one of our friendly member service employees. They will set up the account for you and tell you how to use your new account.

you can earn a lot of money just by leaving it alone.

Two, you'll eventually save enough money to buy something big. Say, for example, you want to buy a bicycle that costs \$200. If you keep spending the \$5 or \$10 you earn or get as a gift on little things like candy or a small toy, you'll never be able to buy the bike. But if you put away at least part of your money in your Kirby Kangaroo account, eventually you'll have enough to buy it. So if you don't have a Kirby account, open on today. If you do, keep adding to it. It's the best way to get what you want.
